Notes

In support of this application it is important to demonstrate how your project will benefit the inhabitants of the Parish of Stanford in the Vale.

Please ensure that your application is supported by relevant documentation, for example two (or more) formal and independent supplier quotes showing detailed costings together with any drawings or illustrations, which may help to explain the objectives of the project.

A grant will not normally be approved retrospectively.

On completion of the project the PPC will normally ask you to present receipted invoices for payments made to suppliers.

The PPC reserves the right to request to see the accounts of any organisation applying for a grant.

If a grant is not taken up within 12 months of approval the process will lapse, and a new application will be required.

An organisation awarded a grant must ensure that its activity complies with appropriate legislation or guidance and that where necessary public liability insurance is in place.

Privacy Notice

Applicants for a PPC grant must complete a grant application form which requires the disclosure of personal data, that is, name, organisation, address, contact details and signature. This information, which is necessary for the PPC to identify and process the application, will be managed in accordance with the General Data Protection Regulation (GDPR) and UK data protection laws. Your information will be used exclusively, within the PPC, to facilitate the processing of the application. It will be stored securely and will not be divulged to any third party. A copy of the policy statement which details how the PPC will deal with personal information is available from the Clerk to the PPC.

If you consent to your personal data being used to process this application, please tick this box

Declaration

I apply for this grant on behalf of the organisation and declare that any grant made by the PPC, or such part of it, as may be determined, will be repaid if the facilities cease to be used for the declared purpose or if it is found that any information given was not correct.
